

Accountability Groups

Every follower of Jesus will be held accountable, so every follower of Jesus should practice accountability with others. Jesus shared many stories of accountability and told us many truths of how we will be held responsible for what we do and say. So accountability groups are a natural expression of brothers and sisters walking together in truth and love.

Accountability Groups are made up of two or three people of the same gender - men with men, women with women - who meet once a week to discuss a set of questions that help reveal areas where things are going right and other areas that need correction. They can even meet by phone if they're unable to meet face-to-face.
